HISTORY

The mountain of the "Las Tres Matas", is one of the most beloved hills by the town of Quintanilla. Three centuries-old oaks crowned the mountain and one lightning struck one of them, leaving the visual one from the town as the label marks, with one of them missing, generating a legend around this event.

TASTING NOTES

Very bright, intense and very covered cherry red COLOR, as the vintage defines.

On the NOSE, we have a very intense aromatic, with caramel notes, tofes, toasts and a great remains of dark chocolate. It has very strong balsamic tones, but with a very important wine base, with overripe fruits.

On the PALATE, we taste a powerful wine, with personalty, structured, balanced without edges. With a long aftertaste, leaving memories of persistent roasted tones.
